MADRAS STATE.

REPRESENTATION OF THE RESIDENTS OF THE BELTANGADY SUB TALUK.

===:ooOoo:===

SECOND ASSISTANT SECRETARY TO
8 JAN 1954
AGRICULTURE DEPARTMENT

RESPECTED SIR,

Thd Hon'ble Minister is quite aware that the Beltangady Sub Taluk lies in the Malnad area in the Puttur Taluk and as such it is unhealthy both to man and domesticated animals. Eversince the transfer of the Headquarters of the Veterinary Assistant Surgeon from here to Uppinangady, somewhere in 1943, the Sub Taluk so to say is totally deprived of every sort of Veterinary Medical Aid which is grievously felt in the events of out-breaks of epidemics to cattle. Since then no facilities are within reach to improve their breed with the aid of Stud-Bulls as Uppinangady is 14 miles distant from here and no easy access is possible because of the river Nethravathy which has to be crossed.

D.A.H. 3/1/54

DEPUTY SECRETARY TO

AGRICULTURE DEPARTMENT

So we respectfully entreat of the Hon'ble Minister to arrange for the early opening of a Veterinary Hospital here at Beltangady and provide one of the long felt amenities of the residents of this Sub Taluk.

Sub: Veterinary Institutions - Belthangady - Puttur taluk South Kanara District - Opening of -

Ref: Government Endt.No.2780-CI/54-1 Agriculture dated 12.1.54

The headquarters of the Touring Veterinary Assistant Surgeon Belthangady was shifted to Uppinangady in April 1944. Records pertaining to this transfer are not available. The reason for the transfer of head quarters permanently were in view of the central location of Uppinangady in the Puttur taluk and most of the other areas of the taluk being more easily approachable from Uppinangady than from Belthangady, which is in a corner of the taluk and is separated from the rest of the Puttur taluk by a big river which is unfordable during the monsoon months. It is not advisable to shift the headquarters of the Touring Veterinary Assistant Surgeon from Uppinangady.

2. The Belthangady sub taluk which is part of the Puttur taluk is within the jurisdiction of the Touring Veterinary Assistant Surgeon Uppinangady who is in charge of the entire Puttur taluk. The taluk is extensive and consists mostly of hilly and malnad regions. At present the nearest Veterinary Dispensary to Belthangady is the one at Puttur which is at a distance of 18 miles.

3. The District Veterinary Officer, South Kanara has reported that considering the large cattle population of Belthangady sub taluk and in the circumstances stated above a separate Veterinary Dispensary for the place is necessary. In a recent communication to this office the Collector of South Kanara District has asked me to take steps for opening a Veterinary First Aid centre at Belthangady.

4. The District Veterinary Officer is being asked to examine and submit proposals for affording the better Veterinary aid to the place

Yours faithfully,

Sub: ANIMAL HUSBANDRY - Opening of a Veterinary Institution at Beltangady, (Puttur Taluk of ~~South~~ South Kanara District)-

Ref: Correspondence ending with Government Memo.No.2780-CI/54/3 Agriculture dated 16-3-54.

...

The District Veterinary Officer South Kanara has reported that there is no change of getting any contribution from the Panchayat Board or the people at Beltangady towards expenditure in opening and running a Veterinary Dispensary at the place. The question of opening a Veterinary Dispensary will be taken up when contributions are forthcoming.

2. The District Veterinary Officer has instructed the Touring Veterinary Assistant Surgeon Uppinangady to bestow more attention to the Beltangady sub-taluk with regard to Veterinary and Animal Husbandry matters.

Ref:- From the residents of Beltangady sub-taluk petition dated 21-11-53 From the D.A.H. letter Roc.No. 352 II/54 dated 15-2-54.

In their petition on p.l.c.f. the residents of the Beltangady sub taluk have represented that ever since the transfer of the Headquarters of the Vety. Asst. Surgeon from Beltangady to Uppinangady they were totally deprived of any Vety. aid. Since Uppinangady is 14 miles away from their town and a river is in between, it is also stated they experience difficulty in getting the services of stud bulls ~~etc.~~ They have therefore requested that a Vety. hospital may be opened at Beltangady.

2. The D.A.H., whose remarks were called for, has reported that the Headquarters of the Touring V.A.S., Beltangady was shifted to Uppinangady in 1944 for which records are not available. The reasons for this change was due to the fact that Uppinangady was in the centre of the Puttur taluk whereas Beltangady is in a corner of the taluk separated by a big river which is unfordable during rainy season. The touring V.A.S. ~~Uppininan~~ ~~gady~~ is reported to be incharge of the entire Puttur taluk which is extensive and consists mostly of hilly and Malnad regions. The nearest Vety. dispensary to Beltangady is reported to be at Puttur which is 18 miles away. The Dt. Vety. Officer, ~~Malabar~~ S. Kanara is said to be of the view that for the large cattle population of Belatangady sub taluk, a separate Vety. dispensary is neces ary at this place and the Collector of S.Kanara has

has also asked the D.A.H. to take steps to open a Vety. First Aid centre at Beltangady. The D.A.H. has reported that it is not advisable to shift the headquarters of the touring V.A.S. from Uppinangady and that the Dt. Vety. Officer is being asked to examine and submit proposals for affording better Vety. aid to the place.
